GRAND CIVIC AND MILITARY PROCES

In Philadelphia, February 22d, 1832, being the 100th Anniversary o

GEORGE WASHINGT

The Soldier and Statesman—the Brave and

The day was ushered in on Wednesday morning with salvo's of cannon from the Arsenal in the city, and the Navy Yard, two salutes of 100 guns were discharged; and at a very early hour the re[stir]ement through the different streets of citizens and strangers of every age and both sexes, gave notice of the full determination of all to share in, or witness the ceremonies prescribed for the occasion. Every circumstance of the weather was favorable to the proposed fete—and had been taken by the proper authorities to remove as far as possible the mud from the streets through which the procession was to pass.

The ships and [ves]sels in the river were decorated with flags, ensigns and streamers, and the [ci]ty flags floated [gai]ly from their masts in the morning sun. The public buildings in the [ci]ty and [Lib]erties, as well as many private ones, displayed flags upon the occasion, which [gave] a [gay] appearance to the day.

About [nine] o'clock, A. M. the different Trades, Fire Companies, and Military Corps, were seen [ass]embling at their respective places of rendezvous—and the busy movement of citizens with the badges of the day, and the different insignia of their craft and their official rank, was [ex]tremely interesting and enlivening, while cheerful activity beamed in every face, and showed itself in the buoyancy of every step. When the different companies had been separately organized, they were marched into Third street, to take their station in the line according to previous arrangements—but as it was impossible that such immense numbers with cars, &c. could [ge]t, to be formed into line, those that were not to be first in the order, were marched into Pine, Spruce, Walnut, Chesnut, Arch street, &c. and then marshalled into the general line at their prescribed situation, was opened by the passing of the procession.

The streets through which the procession was to pass were crowded at an early hour—The side walks and carriage ways were filled with gazing pedestrians, who took occasional jostlings with the utmost good nature, as if sure that in such a dense mass, the shock which each received would of necessity be conveyed to another.

The following were the General Committee ing that authorised the celebration—William Walter R. Johnson, Thomas M. Pettit, J Chew, Jr. Kenderton Smith, George S. Benjamin W. Richards, Joseph R. Ingersoll Gilpin, William Milnor, Jr., Charles S. Ca Thomas H. Craige, James Ronaldson

At about half-past ten o'clock the procession moved up Third street, preceded by

and achieved it"

The Administration

In this bicentennial year when we honor the Founding Fathers of our country, we would also like to acknowledge the successful leaders of Cardinal Mooney's Administration.

Year after year they contribute long hours and hard work to help our school maintain its acquired excellence. Cardinal Mooney High School would not be the great school that it is without its administrators and principals. They are sincerely recognized and appreciated and they will never be forgotten.

A Hand Extended

A great part of the success at Mooney is due to the concern and leadership of the teachers. There is a lot of work and determination on the part of the faculty that helps to make Mooney NUMBER 1. Hours after school, preparation for lessons at home, and grading tests, are just a few of the things that we as students take for granted. We owe a special thanks to our faculty for the success that they have helped us to achieve.

AMERICAN REVOLUTION BICENTENNIAL
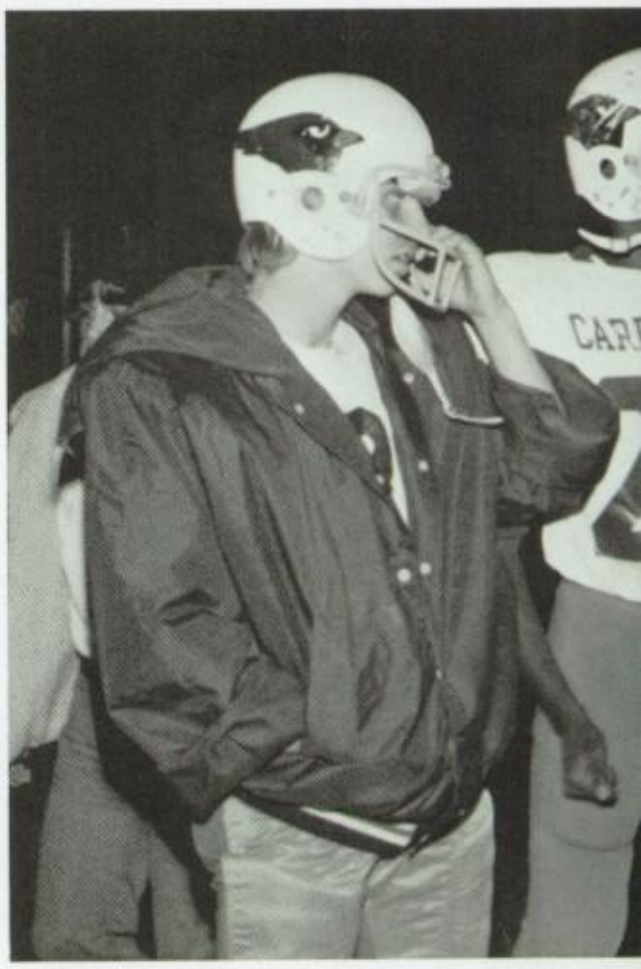
1776-1976

Father Cariglio gives a last blessing before the start of the game.

Myke Clarett turns a short pass into a long gain.

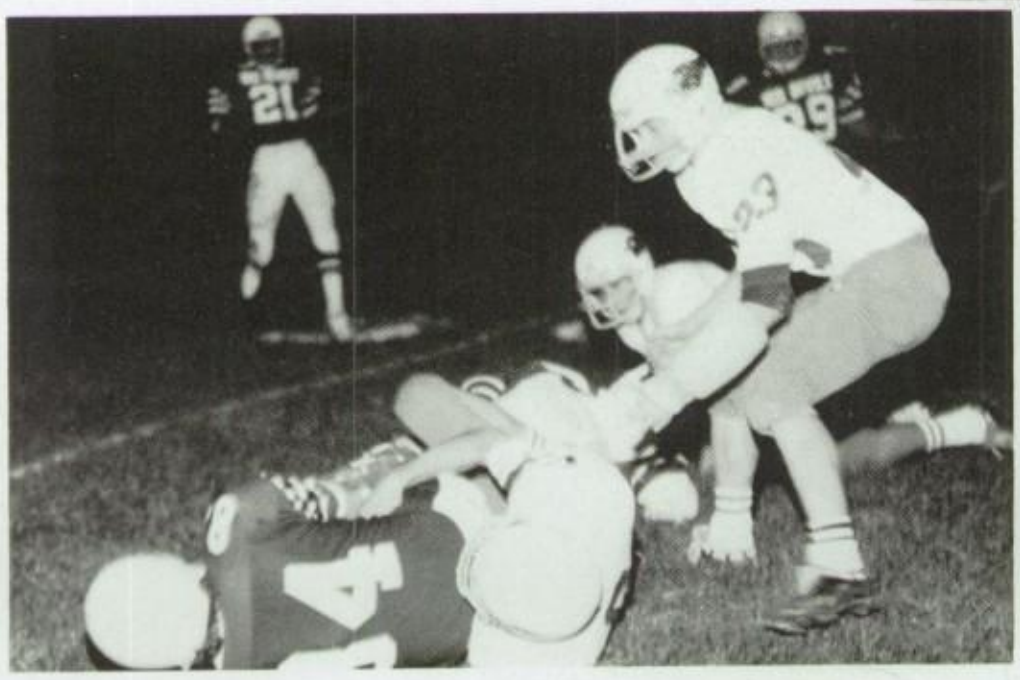


Kick-off To A Great Year . . .

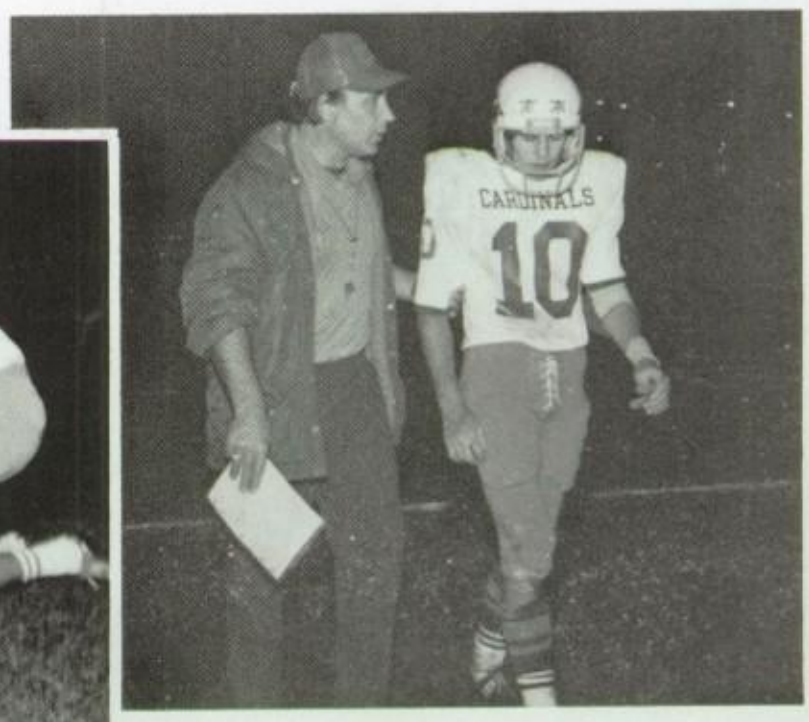
During the 1975 season, the Cardinal Mooney football team continued the tradition of winning, ending with an impressive 7-3 record.

Starting back in the spring of 1975, the Cards worked themselves into top shape with diligent training that included torturous double-sessions during the hot August days.

The training paid off as Mooney led the Steel Valley Conference in both offense and defense averaging over 220 yards per game while holding their opponents to 126.

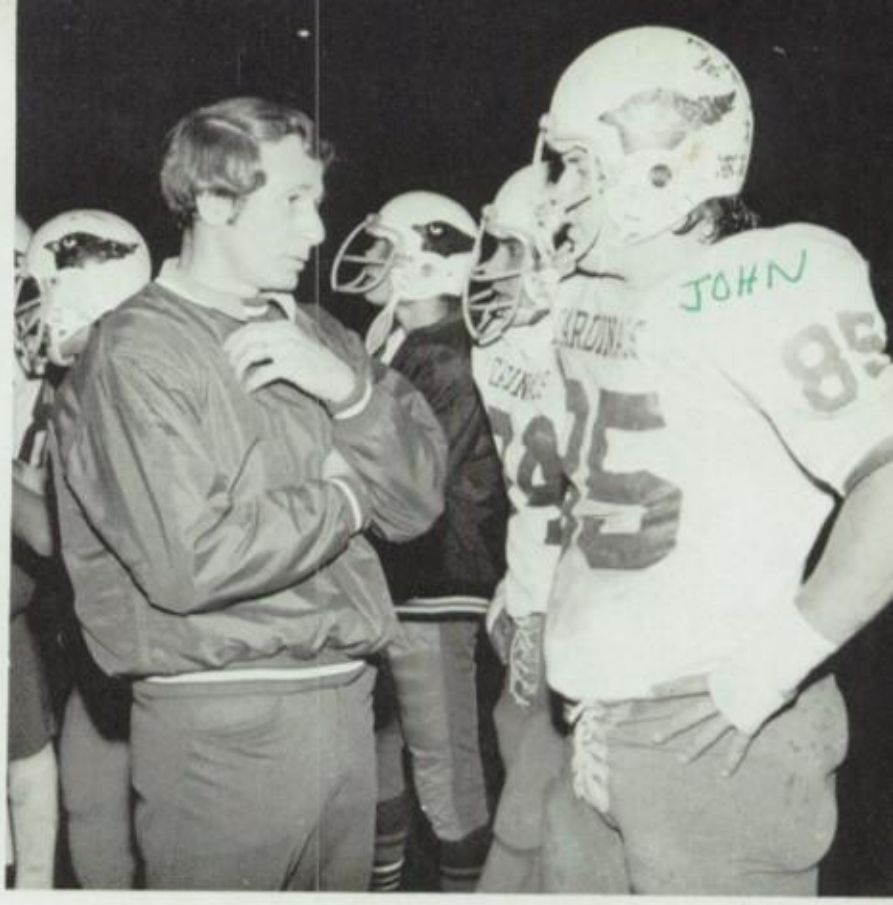


Rick Testa makes sure the opponent is down.

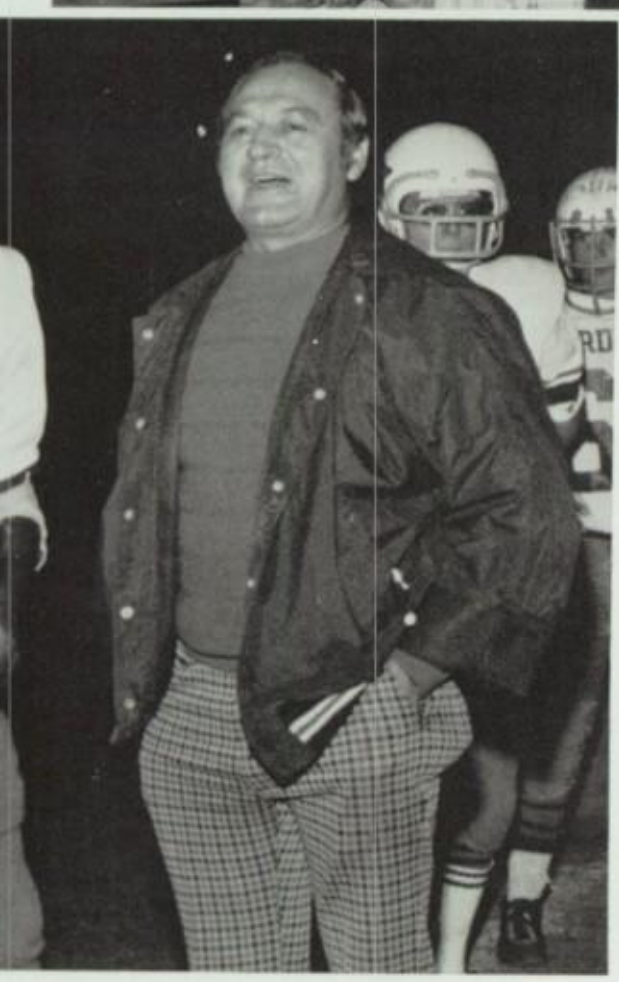


Coach Bucci gives Mike Kachmer last minute instructions.

Strong support and bursting emotions added to the excitement.



You can't have to go now, John.



That's The Way We Like It!

Golfers Ace Another Season

The 1975-76 Boys' Golf Team, under the direction of Mr. Bob Banks, brought honors and pride to themselves and to Cardinal Mooney. Through their impressive record of 12 wins and 2 losses and their capturing of the Sectional Championship, the team was recognized as a success and a credit to themsleves and to Cardinal Mooney.

In their two year history, the Cardinal Mooney Girls' Golf Team has never been defeated. They presently hold an overall record of 22 wins and no losses. Also under the fine coaching of Mr. Bob Banks, the 1975-76 Girls' Golf Team held a record of 12 wins and no losses, thus capturing the Steel Valley title. Thank you girls and Mr. Banks for a great season.

Coach Quintiliani, through his hard work and careful planning, brought our team through a successful season.

Cross Country

Mooney's 75-76 Cross Country Team really fought to win. Finishing with a record of 12 wins and 5 losses, our team placed fourth in the Steel Valley Meet. Once again, through their great endurance and strength, the Cross Country Team brought pride and victory to Mooney.

Ed Duda, District Qualifier, knew the importance of pre-season conditioning.

Phil Buffano, Terrie Marrie, and Dave Polansky prepare for the meet.

I wish we could stop meeting like this.

And they're off!

Track Team Runs Through Records

1976 was a record breaking year for the Cardinal Mooney Track Team. School records fell in the 220 and 440 yard dash, the 880 relay, and the mile relay. Mooney had 3 Steel Valley Champs: Phil Buffano in the 100, Dom Marchionda in the 220 and Mark Tomasko in the discus. Placing fourth in the Steel Valley meet, the team finished with an impressive 8-5 overall record.

As you can see, track is not as easy as it seems.

Ed Duda's concentration brought him through many winning races.

The 1976 Girls' Track Team, coached by Mrs. Rita Busin and Miss Donna Kaufman, began practicing March 8, 1976. The girl team finished 6th out of 8 in the Steel Balley Meet and had an overall record of 2 wins and 8 losses. When Phil Scandy played, everyone watched.

The 1976 Cardinal Mooney Tennis Team, under the direction of Coach Roy Nard, fought to a successful 7-5 season. Phil Scandy, a first team All-Steel Valley pick, Tom Boniface, and John Sinclair handled the singles chores, while Carl Wieneke and Jim Petraglia, Tina Pillin and Greg Finnerty, and Gary Deblasio and Mary Lou Kachmar rounded out the doubles team.

The 1976 Cardinal Mooney Baseball Team, headed by Mr. Ron Stoops and Mr. Tony Congemi, was really a "hit." They "stepped into the swing" of things in early March and continued to "catch" the attention of the Mooney fans with their great plays and outstanding performances. Make no "error" about it; the Cards were a fantastic team.

The group worked very hard throughout the year to present the student body and parents with a winter concert and the annual spring concert. The winter concert, held on Feb. 22, included such selections as "Yesterday Once More", "Goodbye to Love", and "Movin' On". The spring concert, held on May 9, consisted of such numbers as "I Write the Songs", "Annie's Song", and a medley of songs from the musical "Oliver". The group's accomp. were senior Carol Fortine and freshman Patrick Lanahan.

The band outdid themselves as they ended the Winter Concert with a fabulous rendition of "Mac Arthur Park."

In the 75-76 school year, the Cardinal Mooney speech team continued its long tradition of excellence with a very rewarding speech season record of five wins and one loss. Fifteen members of the team qualified for the State tournament in Cincinnati. At state, four Mooney speakers became finalists; Shannon Demko--first Original Oratory, Mary Beth Kirchner--Third Oratorical Interpretation, Kathy Kirchner--Third Humorous, and Janice Brentin--Fifth Oratorical Interpretation. Shannon Demko qualified for the national tournament in Colorado.

Supplying the students with news of the school's happenings and giving them an opportunity to voice their opinions, this year's award-winning Voice was the school's finest. The paper, published on a regular basis, represents all facets of the student body, faculty, and the concerned public. The confusion of two staffs may have been a problem for other schools, but was advantageous at Mooney.

The Voice

Learning a trade that will allow students to be skilled in an area of interest is the service brought about by Choffin Career Center. Attending Mooney a half day for required subjects, Choffin students then spend a half day learning more about the vocation they choose to enter. Courses are varied from industrial electronics to carpentry to child care to dental assistance in order to offer students the best possible career choices. Choffin students have an advantage because the direction and experience they receive helps them in the outside world after graduation.

Our Governing Force . . .

For the first time in many years the Cardinal Mooney student council has made several changes in its constitution. During the process, they held many meetings in which the students have shown their obvious concern and involvement. Until this year, many students did not realize that a constitution existed. Probably the major change was the amendment which now makes it possible for girls to be elected to the office of president of student council.

No, you cannot have co-ed locker rooms.

National Honor Society: Doing Things . . .

The Cardinal Mooney National Honor Society is an organization which awards high school students for their outstanding academic achievements. The purpose of the organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and to develop character.

Any junior or senior having a grade point average higher than a 3.0 and having faculty recommendation on the qualities of service, leadership and character is appointed to the National Honor Society. The advisors along with the elected officers lead the members in various activities which serve the school and the surrounding community. Some of the activities performed this year by the society have been a hospital visit, an ad for the senior play, Bicentennial minutes, a bake sale, induction of new members, Teacher Appreciation Day along with the monthly meetings.

Monitors

The monitors are a group of students who give up their study hall time to maintain order in the halls. They collect attendance slips and run errands for teachers. They also deliver the little white slips that call us down to Mr. Campbell's office when we've done something wrong. Without them our halls would be chaos and the secretaries would go crazy trying to find students for various purposes. They are a great asset to our school.

Monitor's advisor, Mrs. Galvin

Club

Math club members are 1st ROW Denise Albrecht, Frank Trimble, Linda Dohar, 2nd ROW Dave Suszynski, Karen Wales, Tim Shannon, 3rd ROW Georgann Vuletich, Wendell Welsh

One of the newest clubs to be added to our list of many is the Twelve Club. Headed by Father Crum, a group of 13 boys meet monthly to perform different religious functions. Their code "FUSS" stands for fellowship, understanding and spiritual support.

Library Aides

Another volunteer group, worthy of recognition would be our library aides. These thirteen aides willingly give their free service to help Sr. Pius. Their Christmas sale generates most of the money that is utilized for purchasing additional library supplies.

Sr. Pius, librarian

Don't be surprised if one of these days you see Mr. Banks riding through the halls on his chariot. Yes, Latin is beginning to come alive, again. Throughout the year, the Latin Club sponsors various activities such as car washes, bake sales, trip to nursing homes and their two more important events the state convention in Columbus and the Roman banquet in May.

"They Can Because They Think They Can."

Senior Members: FRONT ROW: Don Greco, Marie Michael, Kim Magrini, Bob Stroh, Roberta Kalafut, Mr. Banks, advisor. BACK ROW: Ed Bury, Dominic Dundee, Gary Russo, Rich Herman.

The freshman, sophomore, and junior members of the Latin Club.

Girls With A Future . . .

Two groups within our school are organized each year in order to promote interest in the secretarial and teaching professions. Both the Future Teachers of America and the Future Secretaries Association are devoted to providing a basic knowledge necessary for future preparation in both of these fields.

This year as in the past, the FTA and FSA of 1975-76 were successful in the activities in which they participated as they prepared for their future professions.

FSA advisor, Sr. Agnes Deley

"Oh no, not another mistake."

FTA advisor, Mrs. Galvin

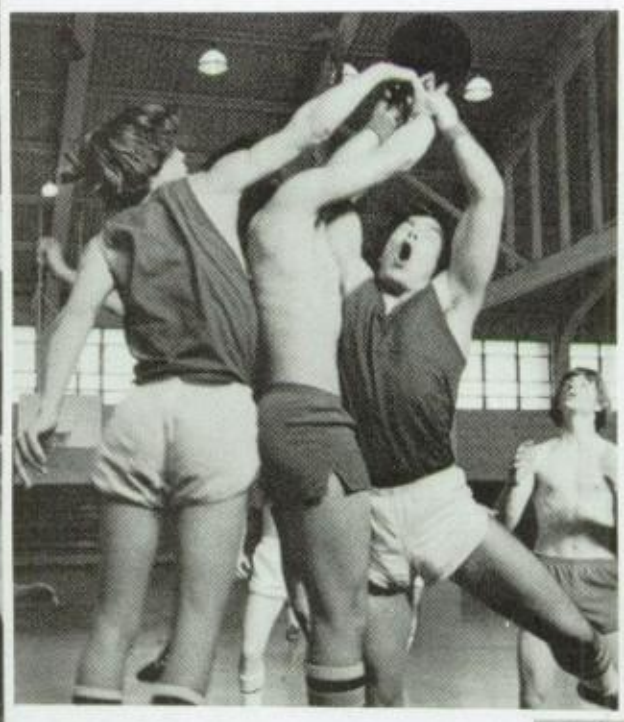
"Is that really what a teacher does?!"

Intramurals

Upper Division Tournament Co-champs: S. Grzywna, T. Danta, B. Giedner, J. Dailey, B. DeLorenzo, J. Barwinski

As before, this year's intramural basketball program gave guys, who otherwise probably couldn't, a chance to compete against each other. On Saturdays, almost twenty-five teams, consisting of over a hundred guys, participated in the intramurals. To make competition a little more fair, teams were divided into upper and lower divisions. Upper division consisted mostly of seniors, while the lower division was made up mostly of sophomores and juniors. By the enthusiasm exhibited at the games, it seemed as if the guys had a really great time.

Lower Division Tournament Champs: (FRONT) M. Colucci, J. Loew, T. Garthwaite, (BACK) D. Philibin, T. Rochford, D. Bucci, L. Bartlemay, L. Pakalnis.



Ski Club Presidents: Larry Strollo and Joe Berasi.

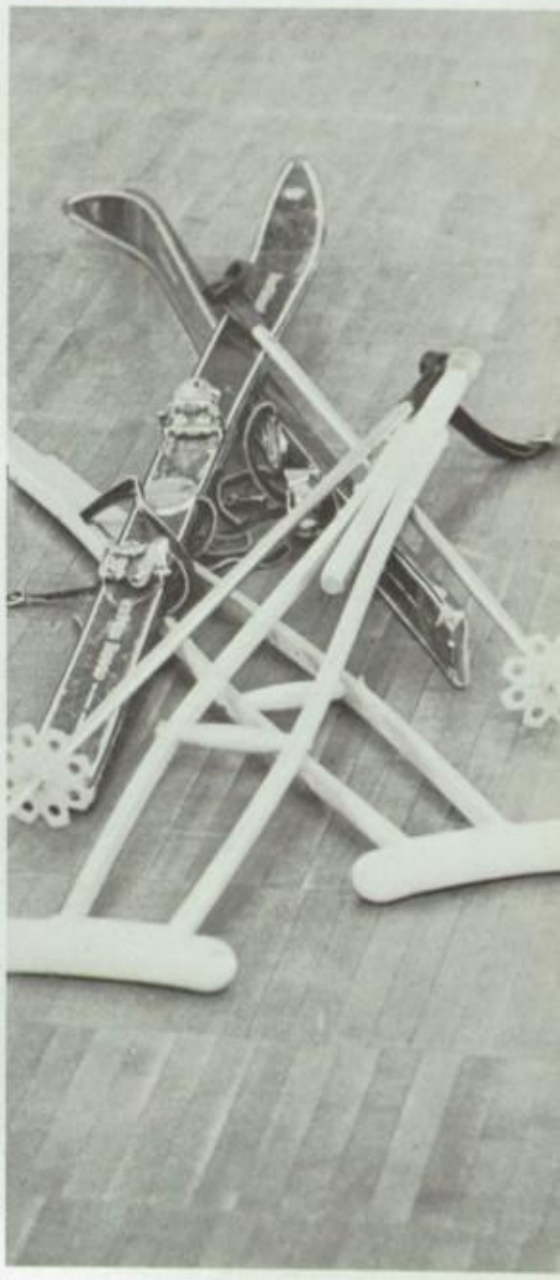
Gary Marasovich, Karen Tama, Arlene Fedorchak, Bob Killian, Bridget Murphy.

Our advisor, coordinator, and teacher (?)--Mr. Hamrock.

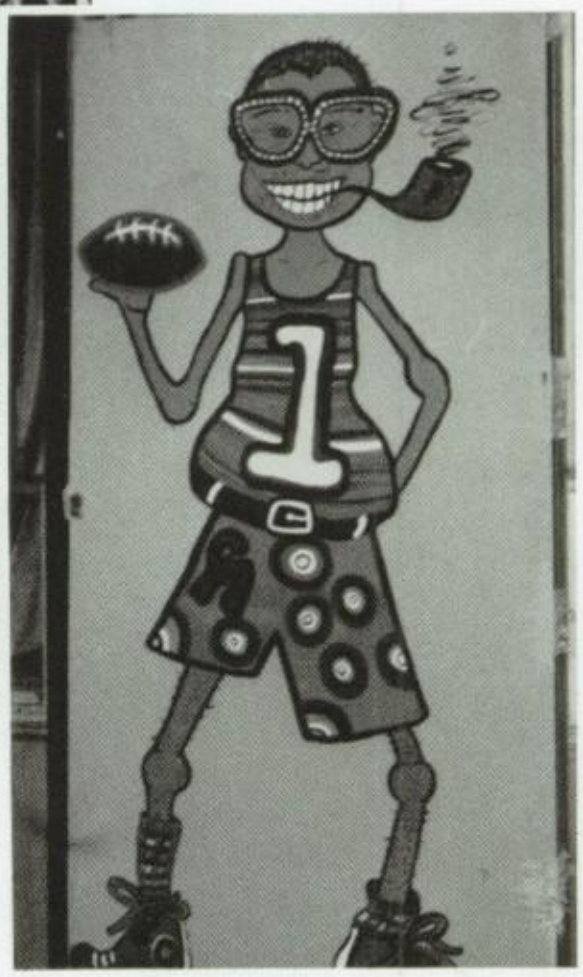
Think Snow

Skiing down a mogul-filled, expert slope with a vertical drop of almost a mile--without falling down the hill snowball-style--is part of what skiing is all about. It's part of what the Cardinal Mooney Ski Club is all about, too. Headed by Mr. Michael Hamrock, Mooney's ski club numbers about one hundred and fifty. Every other weekend, a busload of these kids go up to Peek-n-Peak or Cockaigne if the conditions are good. Rental skis are available so that even those people who never skied before could get into this explosive sport. This year's ski club brought the challenge, the excitement, the anxiety, and the fun of skiing to anyone who was daring enough to ski down that expert slope.

Joe and Tad (ahem!) skiing at Cockaigne.



It ain't easy.

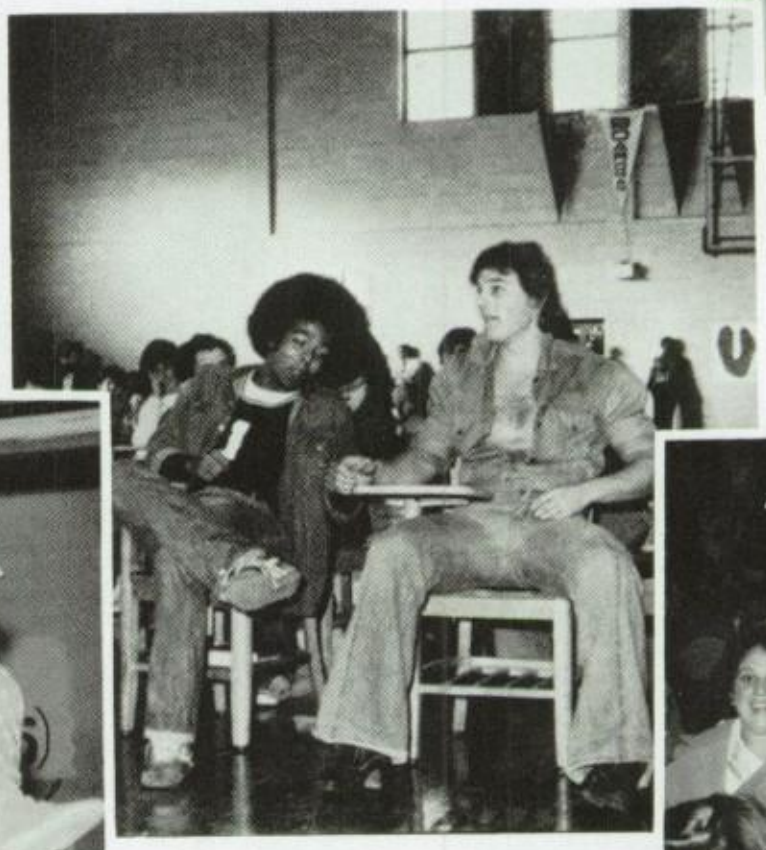


Our principal, Mr. Campbell??

And she was so . . .

Those were the days

Still crazy after all these years



Presenting the Sweathogs of 1976 . . . . .

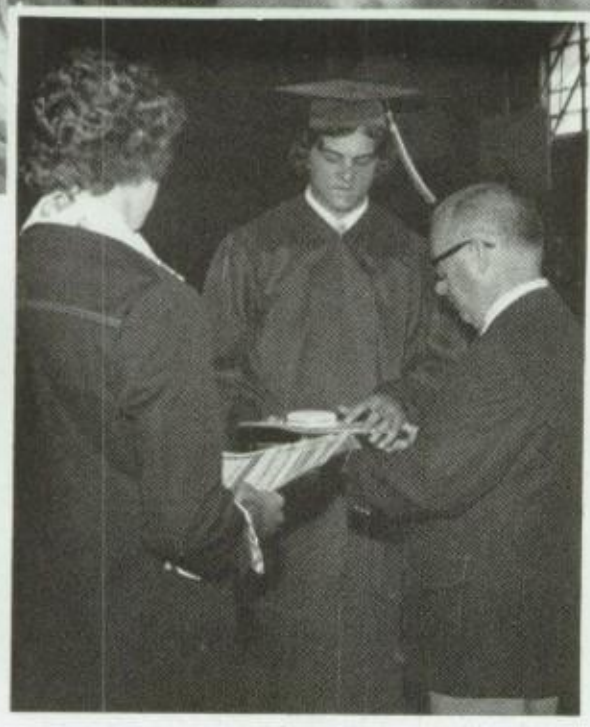
GRADUATION

AMERICAN REVOLUTION BICENTENNIAL
1776-1976
®

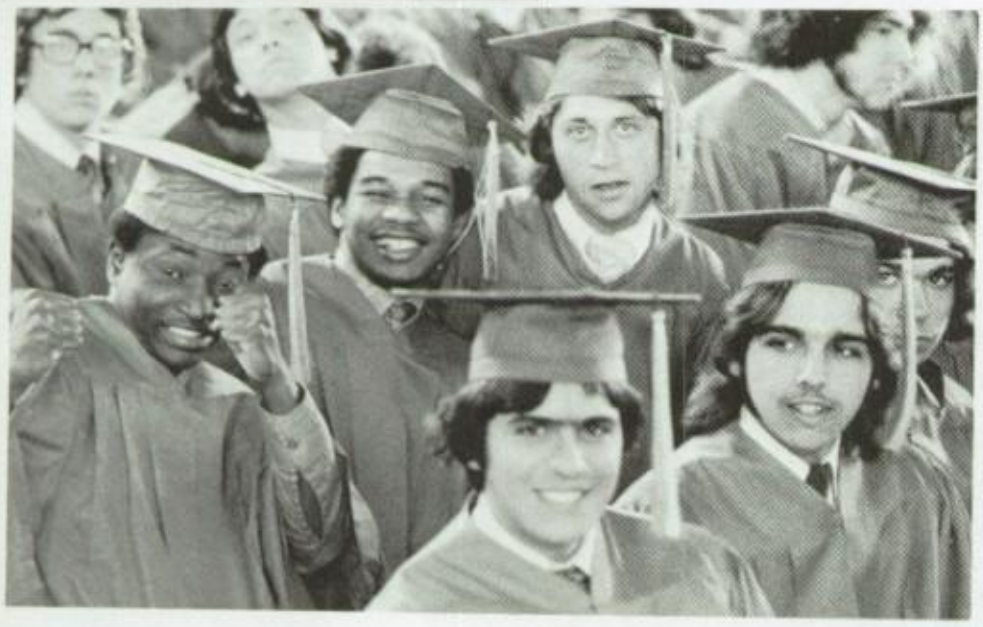
Remember, Will

Awards Day is the Senior class's last activity with the school as a whole. Suddenly the reality of graduation is brought before us. We realize that soon high school will fade behind us and a strange new world will stand waiting before us. On this day we honor the qualities within each of us that will give our class the ability to strengthen the world we will soon enter. We also leave a gift, a token of ourselves, to make the world we will soon leave a little better for those who next year take our place.



Mike Madej gets an award for best model house construction in the state of Ohio.

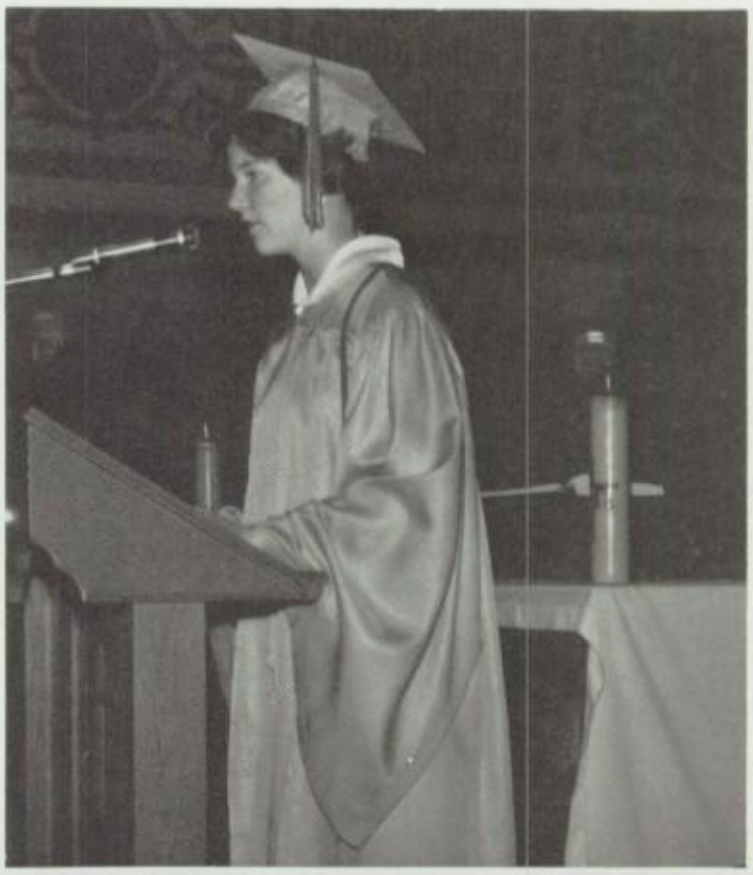
Honor cords are given to the top 20% of the Senior class.



The Senior guys show how "sad" they are about graduating.

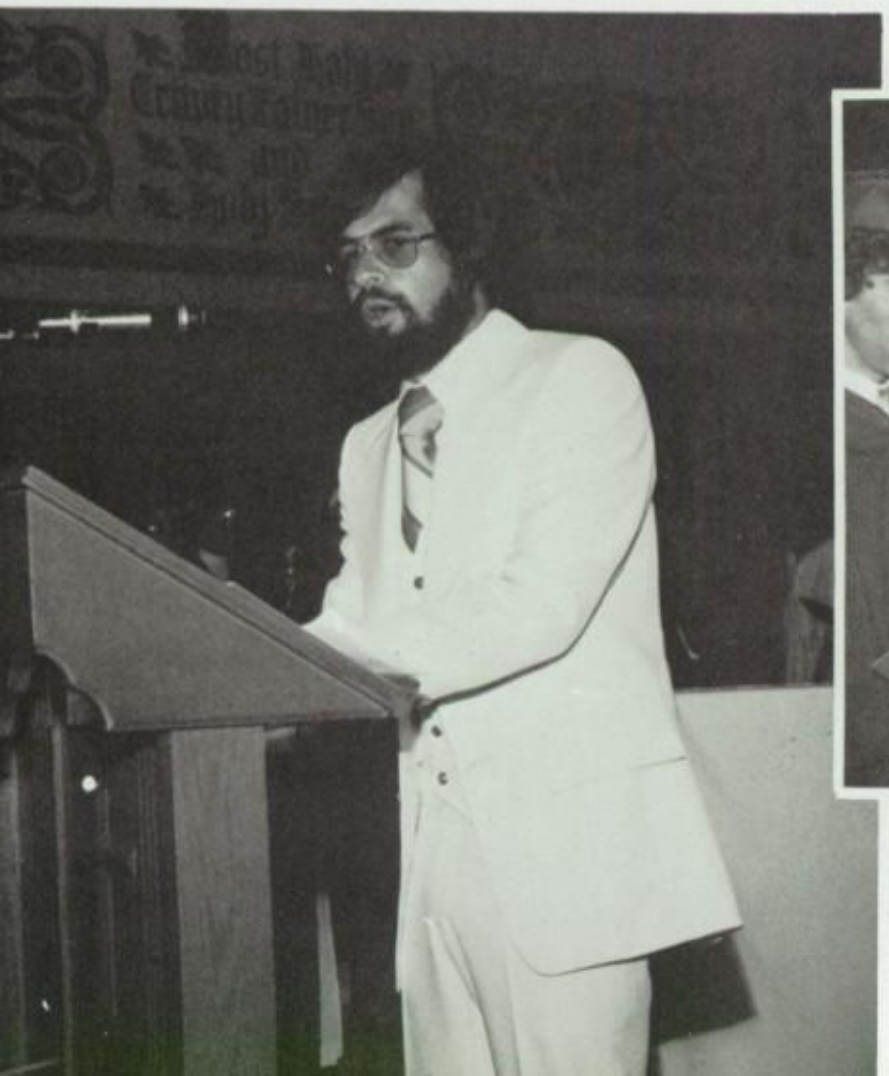
The senior received many scholarships to help them further their education.

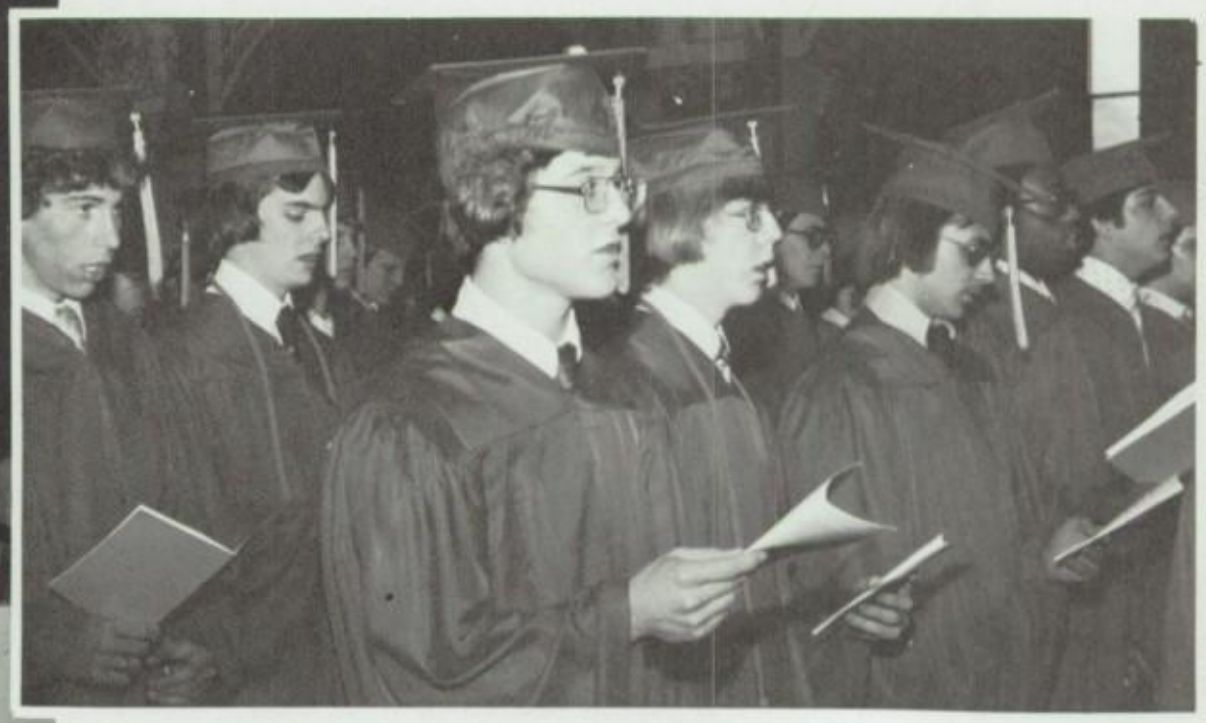
You Remember



Bread and WINE

The Senior Baccalaureate is a very special occasion at Mooney. It is our chance to, as a class, give thanks to God for all of the memories we will take with us as we leave high school. It demonstrates the true feelings of our class because it is planned by our classmates. Every song and reading has a special meaning which will be dear to us for years to come.





Hail to all the Seniors who are with us today!

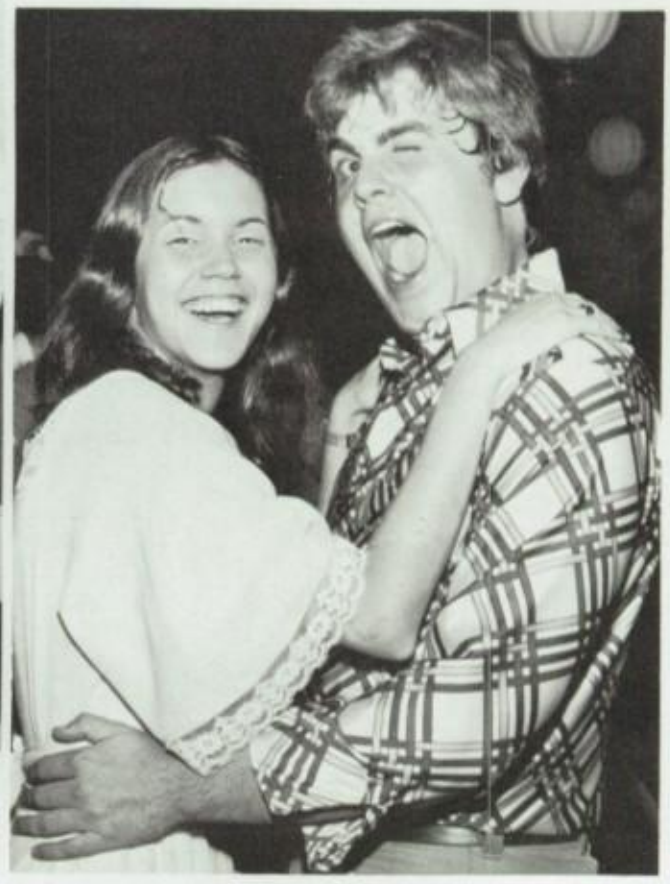
Your Life

Remember, do you remember
The laughter and the tears
The shadows of misty yester-
years
The good times and the bad
you've seen
And all the others in between
Remember, do you remember
The times of your life

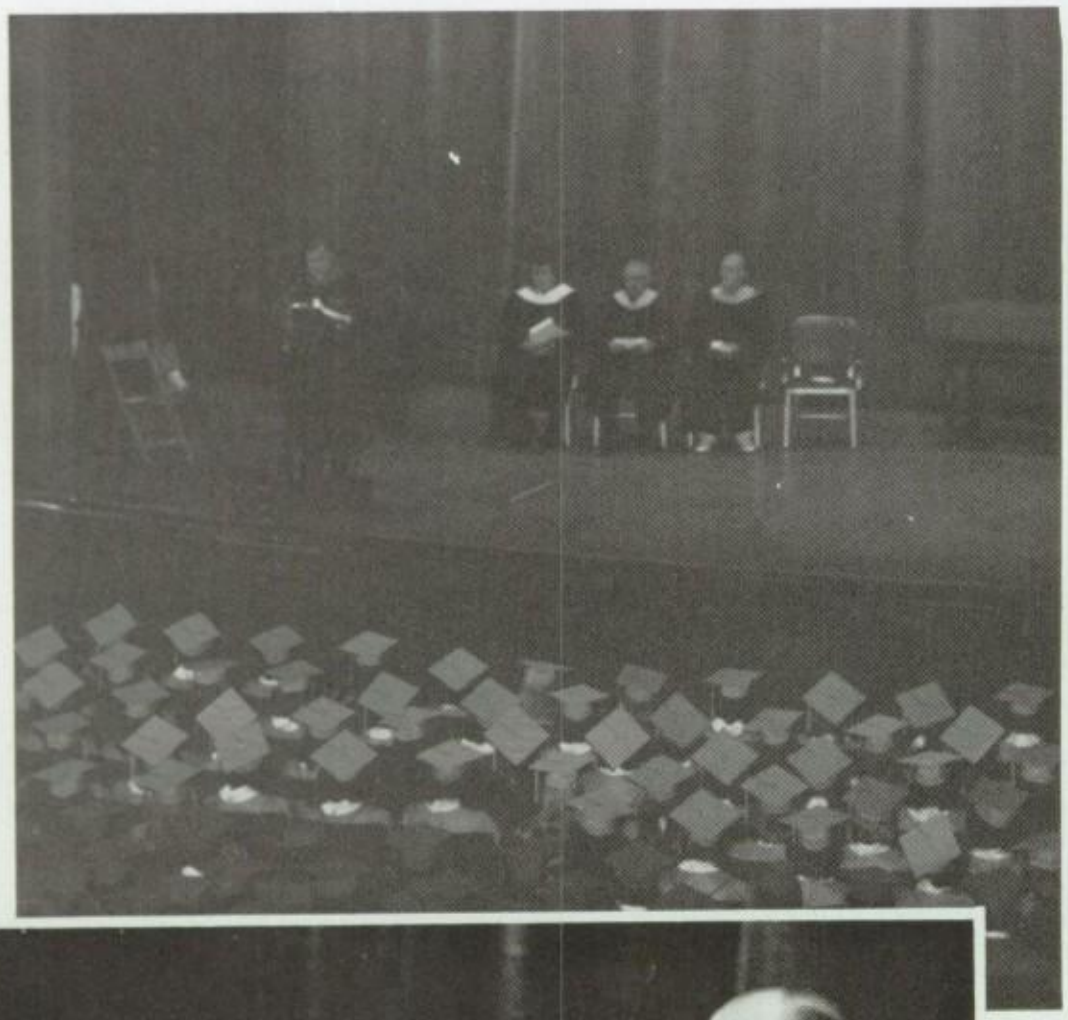
Pop, pop, fizz, fizz, oh, what a relief it is!

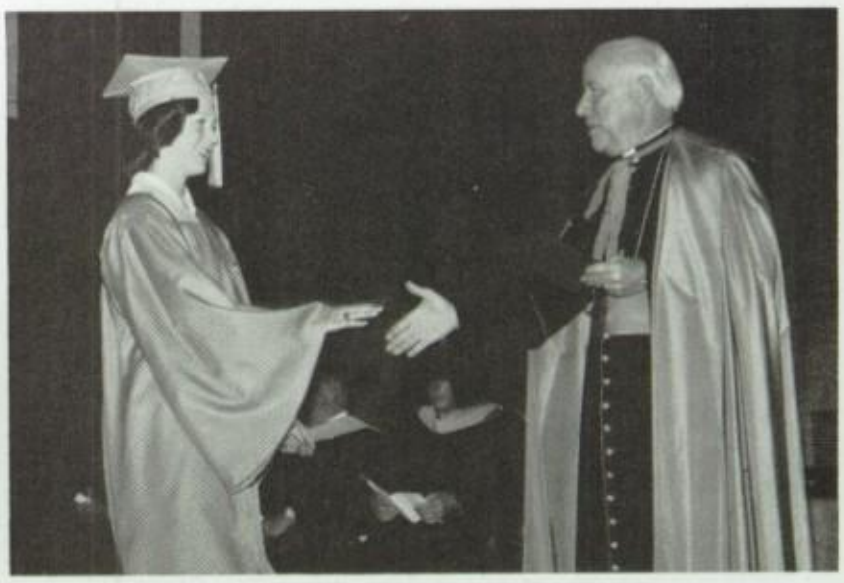
Sister, I have a problem. I think my bat has termites.



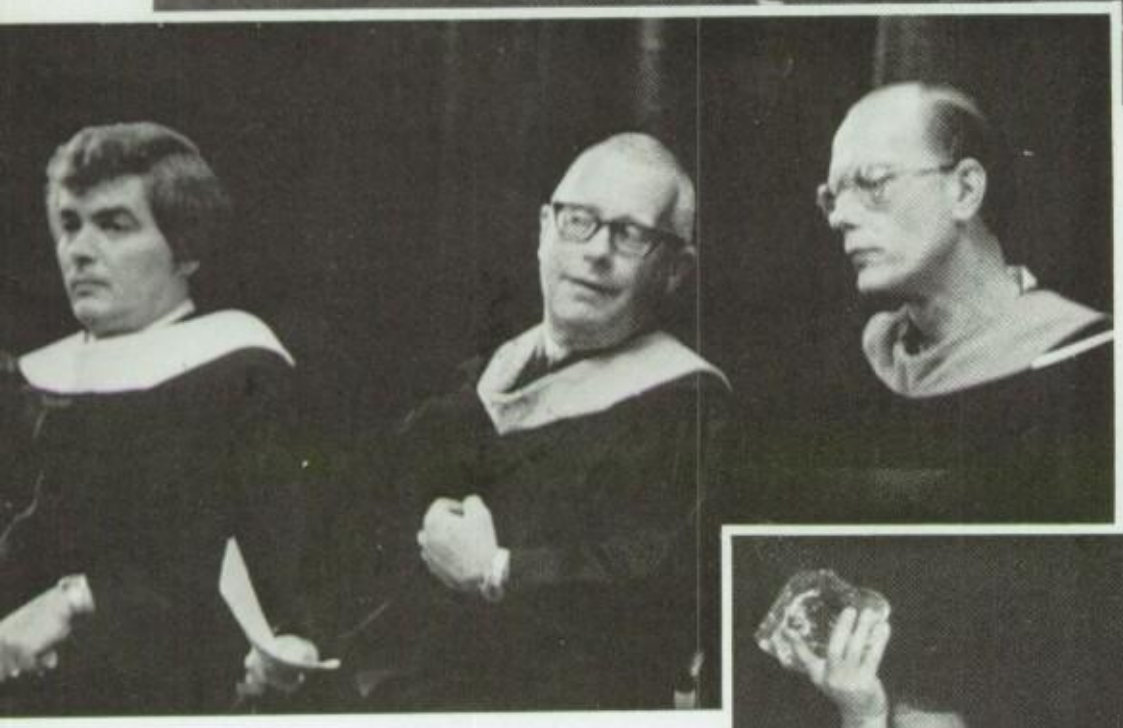
K. Coughlin "rapping" with D. Bletso.

Farewell . . .





Susan Mathews gets her diploma from Bishop Hughs.



"Who's this guy on my right?"

I had to give an arm and a leg to get my diploma.

You mean we get out of here in five minutes?

Be a gem--not a pile of ashes.

May tomorrow be a perfect day,
May you find love and laughter along the way.
May God keep you in his tender care
Till He brings us together again.

Sister Barbara Turk

Memories Of A Special Person

Nature's first green is gold,
Her hardest hue to hold.
Her only leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief
So dawn goes down to day.
Nothing gold can stay.
